ESXENCE
The Art Perfumery Event

THE INTERNATIONAL ARTISTIC PERFUMERY EVENT

THE EVENT

Esxence – The Art Perfumery Event has been the International Artistic Perfumery Event since 2009, it represents for professionals and enthusiasts the opportunity to meet the real protagonists of this fascinating world of fragrances, where history and tradition combine with innovation and research.

An exhibition area dedicated to excellence, together with a rich and interesting calendar of meetings and events, which offer to the public – last edition reached more than 10,000 attendees – a unique and unmissable experience.

EXHIBITION AREA

Insiders, exhibitors, retailers, buyers and distributors find in this high-level exhibition area the ideal place to increase their network and do business. On the other hand, visitors and the public can get in touch with realities that tell perfumed stories too often reserved for few, as well as being able to participate in lab experiences and workshops, which make the visit unforgettable.

SELECTION PROCESS

Edition after edition, a technical committee of experts selects the participation of international brands to offer an interesting and prestigious panorama.
Esxence pursues the objective of giving visibility to those excellences that present quality and consistency requirements, which know how to show

respect for the Art of Perfumery and its creativity.
